

KETCH... UP!

The apocalypse tastes like ketchup.

Grease Canyon — Cyberpunk Dumpster Aesthetic

Blade Runner meets a landfill carnival.

[Moodboard: Neon alleys, dumpsters, rain-soaked streets, rust textures]

Heinz Bottle — Uncanny Corporate Horror

The corporate idol that preaches entropy.

[Moodboard: Glitching billboards, mannequins, sterile lobbies]

“Ketch... Up!” Leap — Slow-Mo Storyboards

Comedy staged like opera.

[Storyboard frames: slip → tail grab → scream → detonation]

[Sound cues: record scratch, reverse chimes, Gregorian chant]

Sauce Father — Cosmic Diner God

A haiku-speaking god of flavor and fate.

[Moodboard: Cosmic diner booths, nebula coffee swirls, divine sauce hand]

The apocalypse tastes like ketchup.
